## WORKING FOR WATTON AT STONE

**District Council By-Election - August 23, 2018**

# NO-GOVIA

**D**espite changes in the timetable, the message Andrew is receiving on the doorstep is that the service from Watton-at-Stone station is still not good enough!

Along with Sir Oliver Heald MP, Andrew had demanded that Govia get their act together on the new timetable. There has been some improvement but not enough. Andrew has now asked Sir Oliver to take this to the next stage and get some real action.

Andrew will report back to the Parish Council and to residents on what happens now!

## LET ANDREW KNOW

**Are there any issues in Watton-At-Stone that you think he should prioritise?**

Dear Resident

Over the last few weeks I have met many of you on the doorstep and have tried to establish what are your priorities for the village.

Clearly transport, roads, further development and crime are high on the list. I will make these my priorities if I am successful on August 23rd. I have met with the leader of East Herts Council, Sir Oliver Heald MP and next week will be with the Police and Crime Commissioner to put forward the issues you raised. I also want to work closely with the excellent Parish Council to make sure we are on the same page.

As you may know from my military background, I believe in getting the job done, not playing party politics. I want to work closely with all the different stakeholders to achieve the best for Watton at Stone.

If there are any further issues you would like me to take up, please let me know!

*Andrew Huggins*

## Crime should not pay

**A**ndrew Huggins has invited the Hertfordshire Police and Crime Commissioner, David Lloyd, to Watton-at-Stone next week, to discuss issues on crime and local policing priorities that may affect villagers.

Whilst Watton-at-Stone is a safe place to live, recently some residents had some concerns.

He will be calling on doors to ask your views. If you have any issues you would like to raise with David please let us know.

David Lloyd, PCC
