

YOUR CONSERVATIVE CONTROLLED COUNCIL

IS DELIVERING

North Herts Transport Users Forum

£50,000 has been approved to enable this Conservative inspired forum to be set up following the problems experienced by train users last year and to help better coordinate all public transport and help our communities engage better with service providers

Affordable & Social Homes for Future Generations

We are committed to enabling the building of 6,400 decent homes over the next 15 years for the next generation of young people and families to help them onto the housing ladder

Financial Responsibility
We have continued to maintain high quality front line services for our residents and this has been made possible because of CONSERVATIVE policies of prudent financial management, with a strong focus on efficiency and innovation

Garden Waste Collection

A 100% Conservative Initiative giving a 3 month goodwill gesture in view of the contract issues at the start of the new scheme which is now operating well

Health & Wellbeing

An additional £50,000 is being provided for the Councils Health & Wellbeing Team to fund their extensive range of activities which support vulnerable children, adults and families

Community Organisations

Age UK Hertfordshire

A grant of £25,000 to be provided to enable Age UK to carry out home visits to help residents receive unclaimed benefits

North Herts Minority Ethnic Forum

A one off grant of £25,000 has been allocated to allow the group to continue whilst it is being restructured
